

Castle Montessori Schools

SUMMER 2021

June 1st – August 4th

“Summer at the Castle”

*Summer at the Castle Camp includes a range of entertaining and stimulating weekly sessions incorporating movement, arts, outdoor education, academic enrichment and **tons** of hands-on **FUN!** You have the opportunity to plan an active, exciting and entertaining summer for your child.*

While forming new friendships, campers will have ample time for play, personal growth and free exploration!

Castle Montessori Schools are firmly committed to the development of the whole child. The possibilities are endless when opening your child’s mind to the Montessori Method of hands-on, interactive learning. Castle Campers will participate in a variety of enriching experiences that are fun-filled and theme-oriented, including music, cooking, art, science, the outdoors and much, much more!

For the elementary campers, those experiences will be enriched with weekly field trips centered around the themes, going to their local water park and much more FUN!

Campers will get the opportunity each week to participate in different events like splash day, block parties, on-site field trips, dress up days and more. Summer at the Castle will definitely keep your child engaged, interested, and entertained!

Castle Montessori Schools

WEEKLY THEMES

WEEK 1: June 1st – June 4th

M Is For Music!

Put another dime in the jukebox baby! Our students are about to Rock and Roll through this first week of summer at Castle! We are going to learn about the different genres of music over the years and tap our toes to new beats, rhythms, and sounds. Let's spend time in our music room at school and practice playing the triangle! Why stop there? We've got rhythm sticks and shakers, and drums galore! These aren't just any drums though; our handmade, custom drums make any band shine! Come on friends, let's jam!

WEEK 2: June 7th – 11th

Honoring Our Essential Heroes!

Think of the people who make our community a better place. Who comes to your mind immediately?! Our essential heroes are everyday people like policemen, firemen, ambulance drivers, doctors, nurses, veterinarians and teachers. Each day we will have an essential hero come to tell a story to the Campers about how they help in our community. The officers who keep our communities safe, doctors and nurses who help us all stay healthy and the teachers who help us learn. These are individuals that directly impact the lives of everyone around them.

WEEK 3: June 14th – 18th

Discussing Opposites!

Up and down. Left and right. Big and small. Day and night. Happy and sad. Hard and soft! So many opposites we can make! This week our students are going to cover an array of opposites! From going up and down the hallways to the library, or reading books from left to right, there are so many opposites we can find in everyday life!

WEEK 4: June 21st – June 25th

Learning About Dino-mite Dinos!

Dinosaurs are a group of reptiles that lived on Earth for about 245 million years. BUT did you know that modern birds are a kind of dinosaur?! They share a common ancestor with non-avian dinosaurs! Paleontologists are like detectives who examine the evidence that extinct animals left behind. Dig into history with us as we become paleontologists and learn all about dinosaurs and how they have impacted our world and where we can find them today!

Week 5: June 28th – July 2nd

Abracadabra

Abracadabra, Alakazam, A magician for a week is who I am! Let's go behind the scenes during this magical week filled of wonder, surprise, and tricks. Magical rings and shapes will lead us to making our own mysterious pictures. Magic wands, guessing games, and terrific tricks will leave everyone stunned. It will be hard to believe the illusions and impressions that will play out. Now you see it, now you don't! Vanishing water will leave you astonished! By the end of the week, you will be a true magician ready to perform for the audience.

Castle Montessori Schools

WEEKLY THEMES

(continued)

WEEK 6: July 6th – 9th

A Salute To Our Military!

This week at Castle, we've got your six covered as we learn about each of our defense forces and the active military members, and veterans that keep us safe! Starting with the largest and oldest service in the U.S. military, we will be learning about how the Army provides ground protection for the United States. Then we will talk about all things water! Whether we are on, above or below the water the Navy is our go-to protector around the world. We've also got the Marine Corp and the Coast Guard that work with our military naval support. Once we're out of the water, we are headed towards the sky as we learn about the Air Force and the Space Force! Lastly we're headed back on the ground to talk about the National Guard and how they help in various humanitarian efforts. Our veterans and active military members are truly heroes we can't wait to showcase this week!

WEEK 7: July 12th – 16th

A Blast from the Past!

It's time to hit the thrift shops and record stores and catch up on the 20th century! Grab your Ray-Ban's, leg warmers, and Members Only jacket to kick off our week with the awesome 80's! Blasting 'far out' into the 70's, let's hit the disco dance floor decked out in our bell bottoms and platforms! Embracing the 'Summer of Love and Peace' we will discover the power of flowers in the 60's. Before swinging into the 40's and 30's, we will 'do the twist' into a 50's themed 'sock hop' ice cream social. So, kick off all reminders of today and get ready to travel down the road to yesteryear!

WEEK 8: July 19th – 23rd

Under The Big Top!

Come one, come all, The Circus is in town! Buy your ticket and grab a seat as the show begins. There will be clowns that juggle, make balloon animals, and pack into cars but beware because the lions are near. Do you hear them roar as they enter the stage? In come the trains filled with elephants, horses, giraffes, and more. They barge in the door bringing tigers, lions, and bears! What a show, but the final act is the best as the students join in for a circus performance of their own. Come one, come all, under the big top you will find it all!

WEEK 9: July 26th – 30th

Let the Castle Games Begin!

Atop Mount Olympus, our Castle Competitors will face Hercules worthy hurdles! With Pegasus and Phil by our side, we will fearlessly face the field to reign over radical relays, heroic high jumps, and daring decathlons. Grab your goggles and dive with Delphin as we master medleys that would make Poseidon proud. We are in pedal pursuit of that finish line as we spin those spokes faster than Apollo can spin the sun. Our routines on the rings and pommel horse performances will make larger legends than the Trojan's. Hanging with Hermes will be a blast as we bump the volleyball on the blazing Mediterranean sands!

WEEK 10: August 2nd – 4th

Back To School!

The time has come to say goodbye as all great things must come to an end. Let's celebrate the moments of glory and the many adventures of summer. As we celebrate, we will enjoy some end of the summer festivities while preparing ourselves to go back to school. We all need a refresher course which is what Castle Montessori is going to give. Prepare yourself to review colors, shapes, numbers, and alphabets so that you can go strongly into the new school year! Work hard to prepare yourself for the 2021-2022 academic year and you will be rewarded with one last end of summer party.

* There may be some field trip days that the students will need to bring a paper sack lunch. Please remember we are **NUT and SUGAR FREE** school. The students should bring a water bottle, hat, and sunscreen for all field trips. All of our field trips are tentative and may change as the week approaches.

Field Trips are for **Elementary Students only** and subject to change pending confirmations, weather and the pandemic guidelines from CDC and Texas Health and Human Services. By signing below, you are giving Castle Montessori permission to take your child to and from each week's field trip as well as to the local splash parks. There will also be water activities hosted at Castle Montessori during the summer month. By signing below, you are giving Castle Montessori permission to allow your child to participate in water activities and apply sunscreen as needed at the school and on the field trips. Sunscreen must be provided by the parents.

I permit Castle Montessori to include my child in photos that may be taken in this program for the school's website, social media page and/or school smilebox. Y N
